

Amendment to the Drawings

The attached sheets of drawings include 10 sheets that include 6 new sheets that add new Figs 1-7, which were originally incorporated by reference in the present application, 4 replacement sheets that change the view numbers of originally filed Figs. 1-4 to Figs. 8-11 and renumber the reference characters in now Figs. 8-11 by adding a 1 before each reference character, i.e., originally filed item 100 is now item 1100, originally filed item 120 is now item 1120, etc.... No new matter is added.

Annotated sheets showing the changes are not included as it is believed that the foregoing adequately explains the changes.

REMARKS

Pursuant to 37 CFR §§1.57(f) and 1.125, a substitute specification is attached hereto that shows all the changes relative to the immediate prior version of the specification of record by underlining added matter and striking through or double bracketing deleted matter. An accompanying clean version (without markings) is also supplied. The drawings are also amended in the new and replacement sheets attached hereto. The changes in the substitute specification and drawings are to insert material from Ser. No. 09/113,484, now US 6,320,609 B1, which was originally incorporated by reference and to change the reference numbers in the originally filed figures of the present application. The material being inserted by the present amendment was previously incorporated by reference and this amendment contains no new matter.

In addition, attached herewith is a Request for Correction of Inventorship under 37 CFR §1.48(c) and accompanying documentation to add Robert Buchanan and Richard A. Yarussi as inventors, including a 1) a Declaration In Support of the Request for Correction of Inventorship by Robert Buchanan; 2) a Declaration In Support of the Request for Correction of Inventorship by Richard A. Yarussi; 3) a Supplemental Declaration for Patent Application; 4) a Consent of Assignee and Assignee Statement under 37 CFR §1.73(b); 5) an Assignment from Robert Buchanan and Richard A. Yarussi; and 6) the requisite processing fee set forth in §1.17(i) (\$130).

No claims are amended herein. Accordingly, Applicant respectfully submits that all claims are still allowable for at least the same reasons as provided in the previous Notice of Allowance. Consequently, Applicant respectfully request that the present amendment to the specification be entered and that all pending claims be allowed. Should the Examiner have any questions concerning this response, the Examiner is invited to call the undersigned at (408) 982-8202.
